Beyond the Farmhouse.

The foundry at Kohler Co. produced its first apron-front sink nearly 100 years ago. Since then, the apron-front, or farmhouse, sink has become the heart of American kitchens. Today, Kohler Co. builds upon that legacy with an innovative Self-Trimming™ apron that redefines the category.

Self-Trimming Apron

- Results in a perfect fit and finish
- No lost time to precision cuts or trim work
- Includes a template to guide the rough cut for 9-inch apron-front sinks
- Sized for industry-standard apron-front sink cabinets (9-inch apron) and standard base cabinets (7-inch apron)

Perfect Retrofit Option

- Get the apron-front look without having to replace cabinetry
- Retrofit the 7-inch apron to existing standard base cabinet
- No custom cabinetry required
- 7-inch apron-front option offered on both Whitehaven and Vault™ sinks

Install a Legacy
