Mutfaklarımızda geçirdiğimiz zaman asla yadsınamaz öyle değil mi? Günlük yaşantımızda büyük bir öneme sahip olan mutfak alanları için çok güzel haberlerle geldik. Sizlere; yemek hazırlama sürecinden alan temizliğine kadar pratiklik kazandıracak doğa dostu bir eviye sunuyoruz. Hammaddesi seramik olan ve yüksek kaliteli işçiliğin ön planda tutulduğu Nuevo Seramik eviyeleri mutfağınıza, yepyeni bir boyut kazandıracaktır.

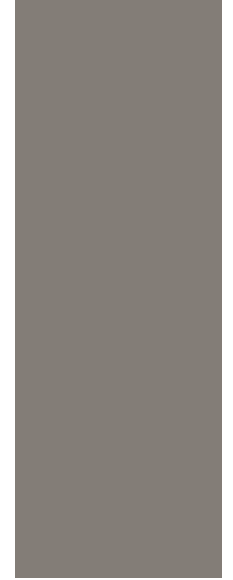

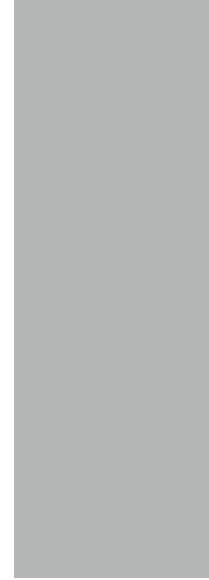

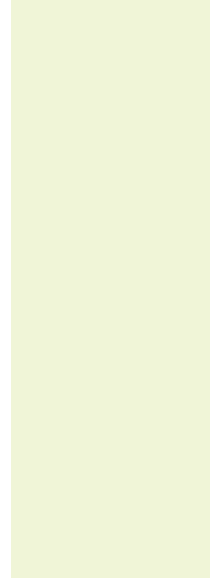

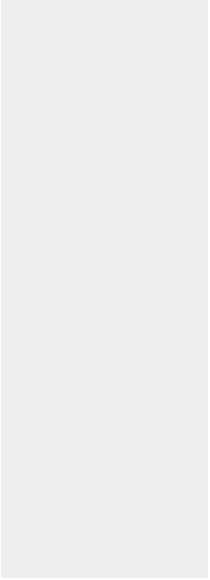

Seramik mutfak eviyelerimizde Premium kaliteye ulaşmak için hammaddeler büyük bir titizlikle seçilmekte ve uzun süren Ar-ge çalışmaları ile özel süreçlerden geçmektedir. İçeriğinde bulunan kil ve kuvarsın birleşmesiyle yüksek ısı mukavemeti sağlanarak sert ve pürüzsüz yüzey elde edilir. Ayrıca eviyelerimize kullanım kılavuzu şartlarında 10 yıl garanti vermekteyiz. Her türlü ışına dayanıklı özelliğiyle de kendi renginde asla bir değişim söz konusu değildir. Eviyelerimizin yüzeyi meyve asidinden asla etkilenmez. Çok güçlü kimyasal ve temizlik ürünlerine ihtiyaç duyulmadan kolayca temizlenerek size kolaylık sağlamaktadır. Nuevo Seramik eviyelerinde kullanılan hammadde tamamen dünya standartlarına uygun, doğal yapısı sayesinde sağlığa ve çevreye zararlı hiçbir kimyasal içermemektedir.

Nuevo Seramik olarak; kaliteyi her zaman üst segmentte tutup ürünlerin daha uzun ömürlü kullanılması ve insanlara pratiklik kazandırmayı amaçlıyoruz. Yaratıcı ve yenilikçi anlayışımız ön planda. Mükemmeli yakalamak en büyük amacımızdır. Hiçbir zaman modası geçmeyecek, mutfağınızla uyumlu, modern ve klasik tasarımı bir arada sunan Nuevo Seramik eviyeleri mutfağınız için doğru seçim olacaktır.

The time we spend in our kitchens is undeniable, isn't it? We come with very good news for the kitchen areas, which are of great importance in our daily life. We offer to you an environmentally friendly sink that will provide practicality from the food preparation process to the cleaning of the area. Nuevo Ceramic sinks, whose raw material is ceramic and high quality workmanship is prioritized, will bring a brand new dimension to your kitchen.

In order to reach premium quality in our ceramic kitchen sinks, raw materials are selected with great care and go through special processes with long-term R & D studies. A hard and smooth surface is obtained by providing high heat resistance with the combination of clay and quartz in its content, In addition, we give 10 years of warranty to our products under the terms of the instruction. With its all kinds of light-resistant properties, there is never any change in its own color. The surface of our sinks is never affected by fruit acid. It provides you convenience by being easily cleaned without the need for very strong chemicals and cleaning products. The raw materials used in Nuevo Ceramic sinks fully comply with international standards, it does not contain any chemicals harmful effects on health and the environment through nature structure.

As Nuevo Ceramic; We aim to keep the quality in the upper segment at all times, to use the products longer and to give people practicality. Our creative and innovative approach in the foreground, the biggest goal is to achieve excellence. Nuevo Ceramic sinks, which will never go out of fashion, offer a combination of modern and classic design, compatible with your kitchen, will be the right choice for your kitchen.
